A black and white photograph showing three vintage cars, likely from the 1930s or 1940s, driving through a deep snowdrift. The cars are moving from left to right, leaving tracks in the snow. The car in the foreground is a dark sedan with a light-colored roof. The car in the middle is a dark sedan. The car in the background is a dark sedan. The snow is piled high on the left side of the road.

The boys listed have earned letters in High School Football this past season.

Several nights there weren't even two teams out for practice. However, the boys worked hard and put in a good season.

Although this is Coach Jordan's first year at Wakefield, the boys had a successful season. We wish him more luck with his football team in the future.

Next year's team will be minus the services of eight seniors and one junior.

## FOOTBALL REVIEW

Hurley Here

The Wakefield High School football team opened its season with a bang and handed the Hurley Midgets a ruffing to the tune of 14-6. Wakefield took advantage in the first quarter and scored on a touchdown pass. The conversion didn't fail. Toward the half of the game, a Hurley kick was blocked and a Wakefield man fell on the ball over their goal line. It was a comfortable Wakefield half. Hurley's touchdown came in the final frame, but too bad. The extra point went wide of the goal-posts. Wakefield was still on the safe side. It was a Wakefield thriller.

It was a sunny autumn day and a capacity crowd enjoyed the game.

Ashland There

It might have been a warm night for the Ashland fans but it certainly was quite uncomfortable for ours. And who wouldn't be down-hearted? Wakefield had the game in the bag. Only a few more minutes left would have looked like a tie game. Then the tables turned. A pass was intercepted and run back for an Ashland touchdown. Tears in the eyes of the boys who played showed hard defeat. They vowed that they would take it out on the Park Falls crew. Although our boys outplayed Ashland, Lady Luck wasn't on their side. It was just another one of those Wakefield heartbreakers.

Park Falls There

"It's the hungry dog that catches the rabbit," said Coach Jordan before we entered a little restaurant. The boys soon discovered what he meant by this. Poached egg on toast and a little fruit salad was all they had before game time. Just before the half the boys found themselves on the long end of the score with a touchdown and a conversion. About a third of the Park Falls gridiron is sand and the boys digested plenty of it, for most of the playing in the third quarter was done in this part. In the fourth quarter, Wakefield came through with another touchdown. This was a comfortable lead. Park Falls threatened to score toward the end of the game, but the small amount of time left them without a score. Wakefield 13, Park Falls 0.

Washburn There

All the boys on the squad saw action when the team white-washed the Washburn Castle Guards. The first five minutes of play netted 13 points for the local eleven. Coach Jordan substituted freely and touchdowns were abundant. Due to the coming Ironwood game the team was instructed not to use any trick plays until necessary. A fair Wakefield crowd saw the game as well as a few Ironwood scouts. The game was one-sided and all the breaks seemed to come to the local boys. The end of the game found Wakefield carrying 46 points, while Washburn didn't garner any.

Ironwood Here

It looked as if the boys just couldn't get started when Ironwood invaded our field. Ironwood scored a touchdown in the first quarter and in every quarter after. Wakefield's lone touchdown came in the last quarter. The team's late start shattered hopes of a Cardinal victory. A large crowd saw the game, both bands performed, and the drill team gave an exhibition on the field at the half. The end of the game found the score to be Ironwood 27, Wakefield 7.

Wakefield Junior High Six-Man Football Team

Mr. Gowe

Mr. Verne Gowe was graduated from Nebraska Wesleyan, which is quite a distance from Wakefield High School. Mr. Gowe first taught in the Junior High building and now is the Natural Science instructor in the senior high school. He coaches six man football and junior high basketball.

Six-man football has just been introduced in Wakefield recently. A few rules change the game from regular eleven man football.

This year the team has won its two games that it has played against Erwin. The scores are 21 - 20, and 27 - 6.

The boys playing six-man football will become our high school grid players in the future years to come.

Mr. Trewyn

Mr. Fred Trewyn was graduated from Whitewater State Teachers College. Mr. Trewyn was an active sportsman in college, playing three years of football, basketball, and tennis.

At present he is our head basketball coach and teaches subjects in the Commercial Department.

The Wakefield High School Basketball Team got off to a good start this year but did not finish the season as was expected by the local fans. Probably one of the causes of the slump was the handicap of a few players being on the sick list during the season. However many of the games were decided by one or a few points.

The team this past season won five of its games while dropping nine. In the Michigan-Wisconsin Conference they placed third with Hurley.

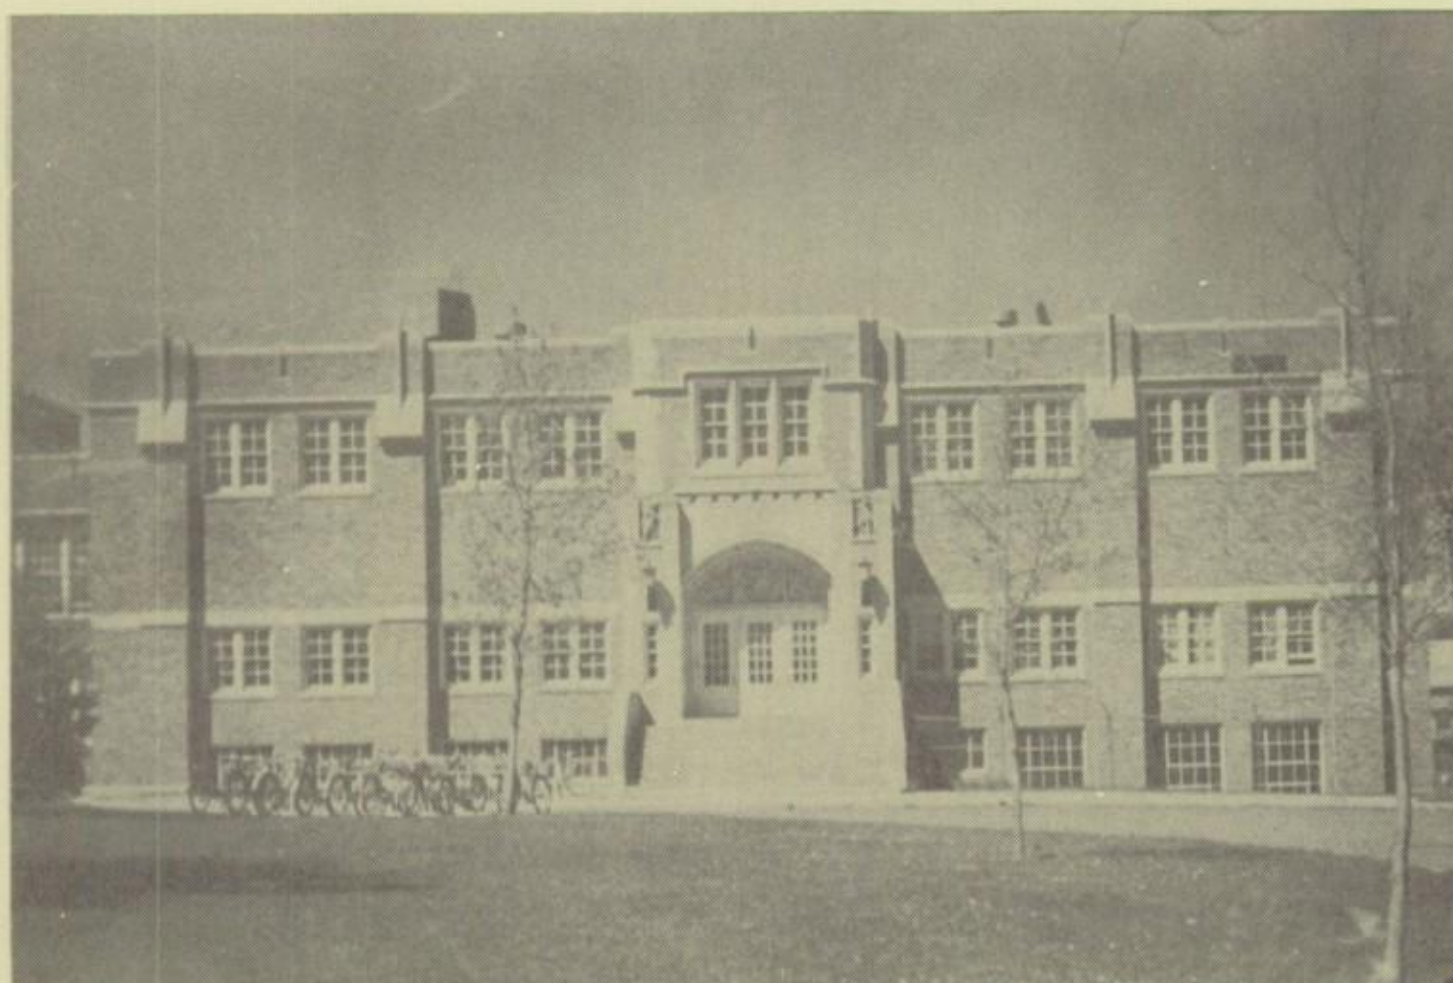

Through graduation Coach Trewyn will miss the services of seven seniors. All the members of the "A" squad will receive letters this June.

We hope to have an improved team next year.

## BASKETBALL REVIEW

DePadua Here

The basketball team started off with a thrilling 22 - 17 victory over DePadua. Although the local boys played a better brand of basketball than the Ashland basketeers, they were in constant danger due to DePadua's scoring threat. However the boys forged ahead and Wakefield fans went home contented.

Hurley There

You can never tell about a Hurley team. They were always a dangerous foe on their own floor. The game was fast and rough. Fouls were plenty and it could have been anybody's ball game. The lead exchanged many times. A field goal and charity toss in a late fourth quarter rally gave Wakefield a 21 - 19 decision and second victory.

Stambaugh Here

It was just an "off" night for the local lads and the Hilltoppers went back with a 20 - 15 victory. It was a cleanly played game from start to finish. However Wakefield was handicapped by missing too many of their sure scoring goals. This was the first set-back for the locals.

Ironwood Here

You can't always tell when a fortunate Ironwood team may spell defeat for its opponents. However the Red Devil - Card game was one of the most hotly contested tilts played on the home floor. The Cards were short two points and Ironwood won by a score of 22 - 20.

Ashland There

Revenge for the conference football game was just too good when Wakefield swamped the Purgolds by an overwhelming score of 41 - 24. Wakefield took the lead throughout the whole game and never were in danger until the final whistle.

Bessemer There

Many Wakefield and Bessemer fans witnessed one of the finest games played this year. The game was nip and tuck throughout the four quarters. The end of the game found the score at 23 all. In the three minute overtime each team garnered three points and again the score was tied. It was too bad however; the Michigan point system handicapped the locals and Bessemer won 27 - 26.

Hurley Here

It looked as if the boys played a better brand of ball when they met the midgets on the local floor. The game was cleanly fought and fast. However the game wasn't so easily won, as Hurley's threat had the fans on the edge of their seats throughout the game. Both teams played good ball but the Cards managed to drop through a few more field goals than Hurley and won by 28 - 24.

Ironwood There

The Wakefield fans would have liked to see Wakefield take this one. They almost lost hope at the half when the score board read 20 - 6. The Cards came back strong in the second half and staged a thrilling rally. The time left to play in the ball game wasn't enough and the Red Devils took a 34 - 31 decision.

DePadua There

The locals really went on a losing spree as the DePadua High School team put on the steam and sent the Cards back home with a 25 - 17 story. The team just couldn't click and the opponents strong defense was a wrench in the Wakefield machinery.

Ashland Here

With the team back on its own floor Wakefield fans were quite certain of a Cardinal victory, as the locals held a decision over the Purgolds at Ashland. However Ashland came out on the floor fighting and led at the half. The end of the game saw Ashland with 40 points to Wakefield's 34. It was the first conference victory for Ashland.

Iron River There

The Cardinals couldn't pull themselves out of the losing column and received a 31 - 28 setback. The Cards played a wonderful game but the Redmen forged ahead and collected another well-earned victory. The gym, like DePadua's was small, and hindered our players. A handful of Wakefield fans saw the game.

Bessemer Here

Probably one of the biggest crowds this year saw the Speed Boys take the Cardinals into camp with a fine score of 28 - 25. The game was well-played, the lead exchanging many times.

The "B" team won an overtime victory in the preliminary and the Girls Drill Team performed at the half of the "A" game.

Lake Linden Here

In a slow, poorly played game the Wakefield Cardinals took Lake Linden on the home court by a score of 29 - 22. The Cards were ahead at every quarter mark and never were in danger of the Lakes coming out in front.

It was the last home game for the Cards and a capacity crowd saw the game.

Ishpeming There

The Wakefield Cardinals traveled to Ishpeming to conclude their season only to return with a 26 - 23 defeat. Ishpeming started off fast and held a comfortable lead until Wakefield took the reins and came within a point or two from catching up. Ishpeming finally rallied to win the game.

The Wakefield "B" team defeated Iron Belt at Iron Belt.

The Wakefield Junior High team turned in another successful year in getting six wins out of ten games played.

Never in the history of Junior High basketball has the Wakefield team lost more of its games than it won.

Wakefield High School Track Team

Due to the early breakup this year Coach Mall's thinclads were able to get out of doors sooner than was expected. The first track meet will be held on May the 10th, an invitational meet at Wakefield.

The track team has been getting most of its points in the field events in past track meets. They were not so successful in the dashes, in which the team must win some places in this year to have a first place team.

Coach Mall has eight letter men to work around this year. They are Eugene Danielson, Ernest Decur, Tom Elliott, John Evanoff, Tauno Jarvinen, Wilbert Pikka, Forrest Rosendahl, and Joe Sanchez. There are other prospects out of which may come a successful track team.

Coach of Track Team

Mr. Louis Mall was graduated from Northern Teachers College. During his stay at college he went out for every sport. However, he was a better dramatist than an athlete and took part in some plays.

Mr. Mall is Wakefield's physical education teacher and is the head coach of the track team.

## THE ECHO STAFF

"Bigger and better" is the motto for this year's Echo and with this in mind, the members of the staff have worked hard to make it a great success.

The Echo staff this year decided to have the annual lithographed instead of mimeographed as in 1940. This will be the first time a lithographed annual has been put out by the Wakefield High School

The Seniors chose "June Mad" as their presentation to demonstrate their dramatic ability.

"June Mad" is a very modern and down-to-earth play which centers around a few days in the life of a fifteen-year-old girl, Penny Wood, during the month of June. Until cosmopolite Roger Van Vleck comes to spend a week-end at the Wood home with Penny's uncle, Mervyn Roberts, boys are nothing more than companions to her. Roger has a perfect "line" for which Penny falls, hook, line, and sinker. Penny's rival is Julie Harris, "Chuck's" sister. Dr. Wood has a great deal of trouble trying to write a speech.

"Chuck" Harris has a lot of trouble with his glider to which his father objects. Thirteen-year-old Milly Lou is the neighborhood brat and not a bad Sherlock Holmes.

Elmer and Effie are the two servants at the Wood home.

#### DRILL TEAM

The purpose of the Wakefield High School Girls Drill Team is three-fold--to perform for spectators at games, to boost the Wakefield cheering section, and to encourage good posture habits.

The Team's first appearance for the school year was at the Ironwood-Wakefield football game on the home field.

The Drill Team and its sponsor, Miss Karas, are anxious to find enthusiastic and reliable girls to replace members who will be graduated in June.

The Dramatics Club has a membership of thirty with Miss Estelle Griffiths as the sponsor. The Club has been more active than in previous years, having given a play besides the annual Christmas play which was rather elaborate. In January the Club enjoyed a sleigh-ride.

The Club sponsored candy sales to raise funds. The girls in the organization helped to earn money by carrying books for the high school boys at the rate of one cent per book!

Underclass members this year remain in the Club throughout high school.

W. H. S. BAND

President--Bill Trezise

Sec.-Treas.--Douglas Trezise

Uniform Sergeants--Robert Kastelnak, Jack Gribble

The Band has been very active this year, playing at all home basketball games and marching at several football games. At the combined concert with the chorus on February 4, they put on a fine performance and again in April, when they played at the Teachers' Institute in Ironwood. Early in March, a concert of the combined high school and Wakefield City bands was enjoyed by many.

The Band also traveled to Ashland and Marquette to play at the spring festivals. There were also several soloists and ensembles from the group.

THE SIX BELLES

The Six Belles, one of the many musical groups under the direction of Miss Vera Babka, is composed of girls representing each class in the high school. The members of the sextette are: Gernith Olson and Margaret Bugni, freshmen;

Jean Morrison, sophomore; Dorothy Hanson, junior; Meryle Cormier and Clarice Liimakka, seniors.

The girls' uniforms are black taffeta jumpers and white satin blouses.

They have sung for several programs for school as well as others.

In December 1940, the Seven Notes and the Six Belles combined to present a very successful program for teachers and parents.

Patsy Hemkes is the accompanist for the Six Belles.

One of the newly organized vocal groups is a "septet" of boys known as the Seven Notes. The members of the Notes are five seniors, Bill Trezise, Robert Kastelnak, Wilbert Pikka, Alvin Salo, and John Williams; a junior, Douglas Trezise; and a sophomore, James Wilson.

The Seven Notes have sung at various programs throughout the year. The girls sextette and the Notes sang at the Armistice Day program and at the music concert besides other community programs.

The boys' uniforms consist of dark trousers, white shirts, black ties, and black sweaters with white emblems.

THE SEVEN NOTES

Miss Patsy Hemkes is the accompanist for the Notes and Miss Vera Babka is the director and sponsor.

"W" CLUB

President--Forrest Rosendahl  
Vice-Pres.--Roger Randall  
Secretary--Lee Wilson  
Treasurer--Tom Elliott

The "W" Club is an organization of boys who have earned major awards in the different sports, such as track, basketball, football, and baseball. The Club has certain rules relative to keeping in training, being a good sport, and being courteous.

This year, the "W" Club started to clean the school trophies.

At the beginning of the year, the membership of the "W" Club was about 35. Twenty more boys were initiated into the Club with special ceremonies. Guess whose idea it was? None other than Mr. Jordan's. He is the group sponsor.

A branch of Junior American Citizens sponsored by the DAR was organized in January under the leadership of Miss Estelle Griffiths.

The name Sacagawea chosen by the twenty members of the Club, was the name of the Indian girl interpreter who guided Lewis and Clark on their Northwest expedition.

The Club's objective for the remainder of the year was sewing and knitting for the Red Cross.

Several social gatherings were held and enjoyed by this group.

#### 4-H CLUB

The 4-H Club is sponsored by Miss Emily Parker. It is under the direction of Janet Nelson, Club advisor, and Miss Edith Johnson, county supervisor.

The purpose of the Club is to promote individual initiative, and to prepare girls and boys for later life in the fields of homemaking and agriculture.

The Club has been doing very good work this year and expects to have 100% finishers. Members of the group are three seniors, three juniors, four sophomores and one freshman.

---

The Student Council this year is composed of five members from each class in addition to the president who is a senior. The Council has not sponsored a major project this year, but has sponsored numerous matinee dances.

The Council, with the approval of the principal, acts as a clearing house for granting of dates for parties, bar sales, and other student activities within the school.

Members earn points by attending meetings, serving on committees, and by serving as assembly chairmen. The motto is "Service to the School!"

#### CHORUS

This year the Chorus has been divided into two groups, the Girls Glee Club, composed of sixty members, and the Chorus, in which there are seventy-five members.

The Chorus itself is divided into two groups, the Cardinal Choir and the Treble Clef Club.

The Chorus entered the music festival in April. The affair was held in Ashland.

Margaret Bugni and Selma Johnson are the soloists for the group.

---

The Cardinals are a newly organized club and consists of selected voices from the chorus. The purpose of this club is to perform for programs in which a small group of mixed voices is needed.

The club has sung for concerts and has taken part in Dramatic Club plays.

Miss Vera Babka is the sponsor and director of this organization.

The groups has elected officers and is quite capable of managing its own affairs.

Miss Patsy Hemkes is the accompanist.

#### THE CARDINALS

President--Selma Johnson

Vice-Pres.--Wilbert Pikka

Sec.-Treas.--Bill Trezise

The Girls Glee Club was started last year, and held its meetings at noon. Because it was inconvenient for some of the girls to meet at this time, arrangements were made to have the Glee Club meet twice a week during the regu-

lar chorus hour.

This year the Glee Club has been divided into two parts, the Miniature Glee Club and the Sharps and Flats.

Helen Wasilewski heads the Sharps and Flats and Clarice Liimakka is the president of the Miniature Glee Club.

Patsy Hemkes is the accompanist for this as well as other vocal groups under the direction of Miss Babka.

---

The Miniature Glee Club's first performance last year was on a radio program. Due to the fact that the entire Glee Club was too large, this smaller group was selected by Miss Babka.

This organization meets twice a week and the other days with the Sharps and Flats. The membership totals twenty-three.

At the beginning of the year, Clarice Liimakka was elected president. To present a more uniform appearance at performances, white blouses were purchased with the money earned during the year.

#### MINIATURE GLEE CLUB

This group presented numbers at the public concert and at the grade school concert in April.

PHOTO CLUB

President--Wilbur Maki  
Vice-President--Willis Boller  
Secretary--Ethel Jolliffe  
Treasurer--June Sutter

The Photo Club this year has been very active. Mr. Skytta is the sponsor and meetings are held in the physics room.

Some of the work that the Club has been doing is taking some of the pictures for the Echo, developing rolls, coloring, retouching negatives, enlarging, and copying. The Club also sponsored a dance at the beginning of the year and sponsored an indoor picture contest.

This year's debate topic was Resolved: that the powers of the Federal government should be increased.

In addition to sponsoring a tournament of its own, Wakefield attended many other tournaments in other cities.

By virtue of its continued excellence in the fields of debate and public speaking, the Wakefield squad was admitted to the National Forensic League. Four of the debaters went to Milwaukee to debate in the NFL tournament.

Every debater participated in at least eleven debates, some in twenty or more.

#### FORESTRY CLUB

The Wakefield Forestry Club, the Iroquois, was started in 1937 under Mr. Verne Gowe. It now has twenty-two members, each holding some responsibility during the school year.

Among the trips that were taken this year, the Club went to the deer yards at the Porcupine Mountains. This year's problem was, What is to be done with the starving deer that yard during the winter months?

The Club has been doing its own mapping and surveying concerning deer management.

The Wakefield Potato Club was organized in the spring of 1940 for a three-fold purpose--to acquaint the members with proper methods of potato cultivation, to stimulate interest in profitable and beneficial projects, and to develop a self-reliance among the boys.

The Club's first year was very successful. This year the Rotary Club sponsored a potato show in which the local organization took part.

At the Upper Peninsula Potato Show, Wakefield was represented by John Stein, Kenneth Johns, and Miss Irene Pitkanen, the Wakefield Potato Show Queen.

#### POTATO CLUB

#### STAGECRAFT CLUB

One of the newest school organizations, the Stagecraft Club was busy almost immediately after being organized.

The Club was formed for the purpose of building and setting up scenery for plays and special programs. The first project that was done by the Club after being organized in the early part of November 1940, was that of preparing the scenery for the Christmas pageant.

Miss Elgeti is the sponsor and the director of all work carried on.

The Tatler Staff has spent another active season issuing the high school paper once every two weeks throughout the school year.

The Staff is composed of students from each high school class. They do all reporting, editing, publishing, and distributing of the paper under the direction of Miss Irene Klein and Mr. Carl Kleimola.

Staff members earn points by writing articles, typing, cutting stencils and mimeographing.

In April, an all-school dance was sponsored by the Tatler Staff.

## CLASS WILL

That grand class of 1941 hereby bequeaths the following valuables to the underclassmen under the conditions that they will use them to the best of their ability and follow the high example set by our class:

To Art Nakarado, Adolph Bugni leaves the gum distribution to future "gum-bummers." Bill Trezise leaves his interest in lighting to Jack Gribble. To all future flutists "Lefty" leaves her giggles. Faith Mattson leaves her technique--in drawing--to Elsie Weidman. "Torchy" leaves all her admirers to Anna Marie Pitrone--just for Ted.

"Leezie" leaves his way with the women to Andy Taanka. To Billy Ribich, "Dizzy" leaves his interest in sports. "Tweezer" leaves the wonderful record he achieved in pole-vaulting to "Wudj"--but Jack must keep up the good work. Carl Makela leaves his interest in his studies to Ira Nordlund. Eddie Radowski leaves "Nev" in care of Leona L.--but just for a while. Caroline Radowski leaves her long walk to school to Mary Mazurek. "Mucca" and Irene L. leave their week-end dates to Ann Movrich and Betty V.

Jean Voyer, June Haglund, and Rita Bracket leave their way of getting to all of the out-of-town sports in which the Cards have a part to all those who are interested. Dorothy McDonald, Catherine Cassietto leave their typing technique to Jimmie Delmet and Norman Thompson. Betty Patyk, Ellen, and Grace Trudgeon leave their places in the clarinet section to David Trezise, James Bruno, and Norma Stevenson. ## CLASS HISTORY

It all started back in 1937, when we became "Freshies." Were we just green Freshmen? Oh, no! Our class began its extraordinary history that very first day, August 30. That year we elected Arleene Niemi to the office of president, Bernhardt Maki, vice president, and Bill Trezise, secretary-treasurer. We sponsored an all-school dance and had a very successful class party. We remember "Torchy," "Washa," and "Duffy" as the life of that party.

On August 29, 1938, we entered high school as "Silly Sophomores." That year Tauno Jarvinen as president, Bob Kastelnak as vice president, and Adolph C. Bugni as secretary-treasurer acted as the guiding genius of the class of '41. Anxious to prove that we were not entirely "silly," we sponsored an all-school dance. This proved our worth, because it was a total success. When school closed, we were looking earnestly ahead to our Junior year.

On September 5, 1939, we started the third year of our high school careers. Tauno Jarvinen had shown that he was a capable president and so we once more put him at the head of our class. Serving under him were John Williams as vice president, Rita Brackett as secretary, and Jeanne Bruno as treasurer. Early in the year we started plans for our prom!

We sponsored a dance, sold candy at basketball games and sponsored a doughnut sale as money-raising events. The theme of the annual promenade was "Carnival." It was a success! Of course, there were such important events as exams, the Senior class play and the Hop, but for us, the Prom began and closed the year.

With falling leaves and fall winds, with our beloved prom just a memory and with visions of the class play, class day and graduation night in our heads, we began our last year on September 9, or should have started it then, but because of Polio we started on the 16th. As this is being written, they are still visions, but are rapidly becoming realities. Somehow or other, we do not feel so much anxiety for the completion of our four glorious high school years. Our pictures have already made it clear that we aren't so good looking after all. We have chosen our colors, forest green and silver; our motto is, "We have crossed many ponds, but the ocean lies ahead of us;" the class flower is the gardenia. The football dance sponsored by our class, at the close of the football season, was another item written under the column headed "Success." William Keskey, president, Roger Randall, vice president, Chester Decur, secretary, and Helen Jolliffe, treasurer, have lived up to our expectations of them and have been successful officers.

Carrying on for W. H. S. in the gym and on the field, our class was represented by "Dizzy," "Leezy," "Baker," "Stash," "Shindig," "Johnny," and Tommy, all-star athletes.

On April 29, the curtain rose on our class play, "June Mad," and on June 19, the curtain will fall on that grand class of 1941.
